Images

Cape Town, South Africa (August 25, 2021) Go2Africa is pleased to share the [new openings and private experiences](#) travelers can look forward to in 2022. With an entire team of African born and raised specialists, including [seven named as Conde Nast Traveler's Top Travel Specialists in 2021](#), travelers are in excellent hands. Whether it is your first trip to Africa or you are planning to get further off the beaten path, travelers can start planning now with confidence that every detail from A to Z will be taken care of, including Covid-19 protocols, with 24/7 on-safari support.

Africa is filled with once-in-a-lifetime bucket-list experiences. Unique opportunities await from hot-air balloon flights over the vast herds of the Great Migration to trekking into the secret emerald world of the rainforests, to encountering gorillas and family-friendly whale-watching and world-class scuba diving. Go2Africa's team of experts have been committed to building first hand knowledge since 1998. 100% of the revenue stays in Africa to support local communities and conservation projects to protect these unique places for future generations.

"One of our core values at Go2Africa is resilience, and I'm proud to say we've dug deep over the past 18 months to come back stronger than ever. Since 1998 our ongoing passion and dedication to curating safe and exceptional African experiences has solidified us as trusted African safari experts, working in close collaboration on the ground with our many African partners," shares [Maija de Rijk-Uys](#), Managing Director of Go2Africa. She adds "Each week there are new domestic or regional flights being added within Africa, and the announcement of international routes reopening from the USA to both Kenya and South Africa has helped increase our US client base from 65% to 76%. We're now seeing bookings from US clients at pre-COVID levels, and these clients are helping to keep safari lodges operating, aid in vital conservation and sustainability initiatives whilst traveling with purpose, all with the 24/7 support of Go2Africa. It's so energising to see the American market coming back to our home continent in full force, which in turn has a profound impact on the tourism industry across Africa."

New Openings

Kenya: Sanctuary Tambarare Opening June 2022

Nestled amongst fever trees in the shadow of Mount Kenya, [Sanctuary Tambarare](#) is opening June 2022. Sanctuary Tambarare looks out across the grassy plateau of the award-winning Ol Pejeta Conservancy. 90,000 acres of unspoilt African landscape where the Big Five roam - including the last two northern white rhinos on earth. After adventurous days tracking lions, riding horses alongside rhinos or spotting giraffes and elephants at this stunning wildlife retreat, guests can retire to the secluded tented camp for sundowners, relaxation, and attentive five-star service with 10 luxurious guest tents.

Guests who enjoy fitness activities can embark on a cycling safari, run a 5–7 kilometre (3–4 mile) trail through the conservancy, or join a one-hour coach-led class with a focus on functional fitness. Community interactions are perfect for those who want to learn more about the communities surrounding Ol Pejeta. For more information on [experiences in Kenya visit Go2Africa](#).

“Tambarare sets the benchmark for exclusive five-star luxury safaris at the world renowned Ol Pejeta conservancy. It’s an area where all of the big 5 are found, and lion tracking is an option, but is best known for its conservation efforts in saving the last northern white rhino,” says Go2Africa Safari Expert [Lauren Johansson](#).

Namibia: Wolwedans Star Bed Experience Launching June 2022

Namibia is renowned for its ideal star-gazing conditions. Nowhere more so than NamibRand Nature Reserve, which is actually the *only* official Dark Sky Reserve on the entire African continent. The Wolwedans Collection of elegant safari camps is set against a backdrop of diverse and breathtaking desert scenery.

It provides the perfect base from which to embark on exciting and interpretative safari activities or simply relax and enjoy the grandeur of the pro-Namib landscape. The final part of the Wolwedans revamp sees the addition of 6 Star Beds units with a central dining area. These units are open to the sky for a dramatic Dark Sky experience, and an igloo for bad weather. [Explore Namibia with Go2Africa](#), or [discover Africa's best star bed experiences](#).

Go2Africa Travel Specialist [Ramona Cilliers](#) shares, "This is definitely one of the most unique and incredible experiences one can have on safari, spending the night under the starlit sky in the only African Dark Sky Reserve. The ultimate way to end the perfect day in Africa!"

South Africa: The Homestead, Nambiti Private Game Reserve opening early 2022

The Homestead is set to launch in early 2022 on the Nambiti Private Game Reserve in South Africa regarded as one of South Africa's most ambitious conservation initiatives and one of the few reserves where the majesty of the Big Five (lion, leopard, buffalo, elephant, and rhino) can be experienced. From tailored excursions like visits to Africa's most important battlefields to animal photography classes, world-class hiking through diverse habitats, mind-blowing stargazing and anti-poaching learning sessions, every excursion brings together culture, nature, community, history and stories to help guests reach a new level of understanding about themselves and their role in the world.

The Homestead will debut on Nambiti with 12 ultra-luxury lodges, six of which are designed for couples or solo travellers, featuring individual infinity pools, while the remaining six can be booked privately or connected to one another for groups travelling together. The property will also feature a world-class spa, fitness centre, infinity pool, multiple food and beverage outlets, and meetings and event spaces. Culinary and dining experiences will encompass organic, locally sourced, African-inspired dishes curated by world-class chefs. The luxury eco-lodge will also be available for private buyouts. With sustainability at its core, The Homestead is designed to become a complementary part of the natural landscape. [Start planning your South Africa adventure with Go2Africa](#).

"Knowing Nambiti Game Reserve and their wildlife, history and sustainability ethos, this Luxury Eco Lodge certainly looks like a great add on to their portfolio!" says Africa Safari Expert [Anja Naude](#).

Serengeti, Tanzania: Ubuntu Migration Camp ReOpening June 2022

This authentic semi-permanent safari camp is positioned to intercept the natural flow of animals through Tanzania's Serengeti ecosystem during the annual Great Migration. This translates to optimal viewing of one of nature's greatest spectacles. [Ubuntu Camp](#) is a traditional, intimate camp that offers a simple set-up with a raw wilderness feel. It delicately balances safari authenticity with guest comfort. This traditional tented camp is designed to leave no trace. They can quickly disassemble and move with the herds to new pastures for optimal sightings.

Days are spent out in the bush looking for wildlife such as lions or cheetahs attracted by the huge gatherings of prey. Over morning coffee, watch wildebeest males chasing each other or zebras tussling. For a sunrise to remember, start the day by gliding above the plains in a hot-air balloon. In the evening, look up as the stars reveal themselves in their thousands. [Find more information or plan a Tanzania safari experience with Go2Africa.](#)

"For those wanting a balance between authenticity and comfort, this tented camp provides the ideal base from which to view the migration during the 'calving' and 'river crossing' spectacles." says Go2 Africa Safari Expert [Mark Smith.](#)

Palm River Hotel in Victoria Falls opening December 2021

[The Palm River Hotel's](#) idyllic location among towering indigenous trees offers panoramic views of the mighty Zambezi River. Located about 2.5 miles upstream from Victoria Falls, the hotel is a convenient riverside retreat after experiencing all the thrills of the world's biggest waterfall. It's located so close, in fact, that on a clear and wind-free day, you can hear the rumble and see the spray of the mighty 'Smoke That Thunders' from your room. The Palm River Hotel takes its style inspiration from Victoria Falls Town's rich history and blends it with iconic Queenslander architecture – discerning travellers will love the high ceilings and spacious verandas that add to the hotel's luxurious and capacious feel. Adventure seekers will enjoy experiences like white-water rafting, bungee jumping, and microlite or helicopter flights over the waterfall – Victoria Falls is known as 'Africa's Adventure Capital' after all. There's no better way to end the day than taking a boat cruise along the Zambezi, spotting crocodiles, hippos and elephants while marvelling at a golden sunset, ice cold drink in hand. [Find more information on a Victoria Falls experience with Go2Africa](#)

“The first new hotel-style property to be built in Victoria Falls in 30 years, we have already started receiving amazing reviews from guests that have stayed at The Palm River Hotel. Located a mere 4 kilometres from Africa's Natural World Wonder, Victoria Falls – this hotel seamlessly blends old-world charm with modern convenience – whilst remaining true to its prime location on the banks of the Zambezi River,” says Go2Africa Safari Expert [Mary Keet](#).
